# Woodland Management Workshop

Links to websites referred within presentation

**Why Manage Woodlands**

https://www.plantlife.org.uk/uk/our-work/publications/forestry-recommissioned

https://www.gov.uk/guidance/how-to-benefit-species-and-habitats-biodiversity-in-your-woodland

https://www.gov.uk/guidance/urban-forestry

Understand what benefits the urban forest brings to our towns and cities links, how to ensure resilience of the urban forest and details on manage the risks, including tree health, in the urban forest can all be found on link above.

**UKFS Introduction**

https://www.forestresearch.gov.uk/research/the-uk-forestry-standard/

**Knowing your woodlands**

 • *Woodland Condition assessment*
 https://www.forestergis.com/Apps/MapBrowser/
 FC mapping system

 https://www.gov.uk/guidance/request-a-map-from-the-forestry-commission
 Requesting maps from the Forestry Commission

 https://woodlandwildlifetoolkit.sylva.org.uk/assess
 Woodland condition assessment page

 https://woodlandwildlifetoolkit.sylva.org.uk/toolkit
 Search for wildlife in your wood

 • *Management plan*
 https://www.gov.uk/guidance/create-a-woodland-management-plan
 Includes links to the management plan templates and guides

 https://sylva.org.uk/myforest/woodlandManagerLobby
 Myforest link to where you can undertake a management plan.

 https://www.gov.uk/government/publications/woodland-management-plan-grant-countryside-stewardship
 details of grants to support the writing of woodland management plan.

https://www.gov.uk/guidance/manage-and-protect-woodland-wildlife
Details of operational site assessments to help consider forest operations.

• *Silvicultural options*
https://www.gov.uk/government/publications/managing-ancient-and-native-woodland-in-england
Guide on managing ancient and native woodland.

• *Regulation*
https://www.gov.uk/guidance/tree-felling-licence-when-you-need-to-apply
Details of when you need a felling licence

https://www.gov.uk/guidance/apply-online-for-a-felling-licence
Applying for a felling licence

https://www.gov.uk/guidance/tree-preservation-orders-and-trees-in-conservation-areas
Details about Tree Preservation areas and conservation areas.

https://www.gov.uk/guidance/manage-and-protect-woodland-wildlife
Details on European protected species and checklists

https://www.ukfisa.com/safety-information/safety-library/fisa-safety-guides.html
Safety information from FISA.

**Tree Health & Resilience**

Acute Oak Decline: https://www.forestresearch.gov.uk/research/managing-acute-oak-decline-2/

Ash dieback: https://www.forestresearch.gov.uk/research/ash-dieback-disease-pest-alert/

Chestnut blight:https://www.forestresearch.gov.uk/research/chestnut-blight-pest-alert/

Oak Processionary Moth: https://www.forestresearch.gov.uk/tools-and-resources/pest-and-disease-resources/oak-processionary-moth-thaumetopoea-processionea/

https://www.forestresearch.gov.uk/tools-and-resources/tree-alert/

Reporting website for concerns on tree disease and pests.

https://www.observatree.org.uk/tree-health/pests-and-disease-by-tree-species/

Details of  pest and diseases by tree species.

https://www.observatree.org.uk/resources/download-and-read/guides/

Guides and support on pests and diseases.

https://www.forestresearch.gov.uk/research/i-tree-eco/i-tree-resources/designing-an-i-tree-eco-project/

Information on I tree survey design.
