**Free guided nature and history walk**

**Crofton and Sparrow Woods**

**Saturday 18 September at 14.00pm**

**All welcome**

**Come and join a free guided history and nature walk at Crofton & Sparrow Woods** – meeting at the Recreation Ground, Eynsford Close car park. No booking is needed. All ages welcome.

The walk is jointly organised by the Friends of Crofton & Sparrow Woods and Petts Wood & District Residents Association (PWDRA).

Do come and support us to explore this fascinating woodland; its rich natural environment and background history including the old Fever Hospital site and to mark the 20<sup>th</sup> Anniversary of the London Loop.

The walk is mainly on the flat – but walking/sturdy footwear are advised as Crofton is a designated SSSI wet woodland site, so it can get a little muddy.
