

BULBS for LONDON 2022
THE METROPOLITAN PUBLIC GARDENS ASSOCIATION
in association with
TAYLORS BULBS OF SPALDING

The prestigious Lincolnshire family firm Taylors Bulbs, in partnership with the MPGA, are once again offering totally free of charge a number of high quality bulbs to parks and gardens across the 33 London Boroughs.

Since the inception of the scheme, the MPGA and Taylors have distributed spring bulbs to over a thousand organisations throughout the Capital, including public parks and gardens, hospices, churchyards, schools and community gardens. These bulbs make a tremendous impact and brighten the daily lives of countless people.

The MPGA is delighted to be working once again with Taylors. This year they are offering a 'Lucky Dip' fixed package of around 400 bulbs of four or five different varieties.

Please note we have a limited number of bulbs to offer and unfortunately we cannot fulfil all the requests we receive. For those who are successful the bulbs will be made available promptly and should be planted before Christmas.

For your application to be considered, please complete all sections of the attached form and email it as soon as possible to shirley@mpga.org.uk
